Ian and John,

Deal terms are being discussed with the Hong Kong person whom I met through Ian's contact in Vancouver. I would like to discuss with both of you the terms I am thinking of proposing. This is moving relatively quickly. Let me know if you might have a few minutes this afternoon EST as I am traveling to Europe tonight on a 10:25 p.m. flight. If today does not work perhaps propose another time as I can talk from Europe.

Thanks, Steven
